

Spring Show & Open House

Saturday 9:00 until 4:00 pm, Sunday 10:00am, until 4:00 pm

The South Shore Model Railway Club invites you to participate as a dealer in our Fall Open House. We are once again offering a limited number of dealer tables. We anticipate having approximately 40 tables available. These dealer tables are on a strict first come first serve basis. These will be located in the club's building next to the layout offering an atmosphere of limited dealer competition and great table locations.

As this is a two-day event you have the advantage of one set up and breakdown for two days! The club however will not accept responsibility for the safety and security of your merchandise and personal belonging while at the club. **Dealers have the option of setting up on the Friday before the event from 3:00 pm until 9:00 pm. Please inform me if you are going to take advantage of this option.**

Please note on the dealer table order form if you planning to attend for both days. The cost per table is the same for either one or two days. If you choose to attend only one day, the club will attempt to sell the vacant tables on the off day so as to maximize our revenues to the building fund.

Orders for dealer tables must be accompanied with payment. We will acknowledge all orders with a post card. If you wish to fax your order in to let us know you will be attending, please fax to 781-740-8900. If you would like to contribute item(s) to the club as raffle prizes(s) please mark this on the table reservation form. Items donated are tax deductible as the club is a 501c3 organization. We will provide a confirmation letter for tax purposes.

If you have attended our shows, thank you for your participation, we appreciate it. If you haven't joined us as a dealer or attendee, please consider it. We offer great value to both dealers and attendees. The club invests heavily in advertising, both print and broadcast to ensure that the shows are well attended with a wide range of demographics. Our mission is to ensure that both the dealer and the public receive good value from attending our events.

If you have any questions please contact me at the club.

Sincerely,

Jack Foley
